REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 CFR § 1.322

Dear Sir:

It is respectfully requested that the Commissioner issue the attached Certificate of Correction to correct a typographical error in U.S. Patent 6,034,918 ("the '918 patent", copy attached as Exhibit 1). In particular, the attached Certificate of Correction seeks to correct an error in claim 18 (col. 26 of the '918 patent). Claim 18 should include the word "read" inserted directly before the word "request" at line 23.

The Preliminary Amendment of February 19, 1999, copy attached as Exhibit 2, clearly shows the word "read" preceding the word "request" on line 10, page 5 in claim 168 which was renumbered as claim 18 in the '918 patent. There were no subsequent amendments of

the above-referenced application which affected claim 168 (i.e., claim 18 in the '918 patent).

This error incurred through the fault of the U.S. Patent and Trademark Office ("USPTO"), as is clearly disclosed by the records in the USPTO.

It is respectfully requested that the attached Certificate of Correction issue. It is noted that should a telephone interview expedite consideration of this request in any way kindly contact Neil Steinberg at 650-944-7772.

Respectfully submitted,
